

PANSY CLIPART

* A lot of pansies!

PANSIES

THINGS TO REMEMBER - when making a backing for your painted shape:

- * Select **OUTSIDE** your shape
- * **ADJUST** your selection threshold
- * **INVERT** your selection
- * Go to the layer below and fill with white.

THINGS TO REMEMBER - when turning your painting into clipart

- * **COPY CANVAS** to retain texture then **THREE FINGER SWIPE** to paste
- * **SELECT** your backed shape
- * **INVERT** that selection
- * **CLEAR** the selection from your pasted canvas layer
- * **HIDE** all layers and background to save as PNG
